

DEQ Strategic Planning 2006
Environmental Quality Commission Discussion
June 23, 2006, 10:30 - Noon

Goal for today's discussion

- Settle on the strategic directions and key actions

Introduction and Background

- EMT decision-making workshops produced the draft strategic directions.
- Employee brown bag sessions prompted some revisions.
- Met with environmental stakeholders.
- Four "town hall" type meetings in Portland, Eugene, Pendleton and Medford provided more information about priorities.
- This is the third discussion with the EQC. Others in March in Salem, May in Hermiston.

Debrief the Town Meetings

- Review themes identified by staff.
- Commissioners share their impressions.
- Discuss what, if any, changes are needed based on public input.

Follow up to Town Hall meetings

- Citizens liked the concept.
- Useful for other purposes as well.
- Cost.

Next Steps

- Publishing schedule: target August 31.
- Distribution: who, how, when.
- Performance reporting
