In accordance with Section 1511 of the American Recovery and Reinvestment Act of 2009 (PL 111-5), I hereby certify that infrastructure investment in the form of a Clean Water State Revolving Fund (CWSRF) loan provided by the Oregon Department of Environmental Quality to the City of Astoria has received the full review and vetting required by law and I accept responsibility that the infrastructure investment is an appropriate use of taxpayer dollars.

The City of Astoria plans to perform combined sewer overflow work designed to eliminate discharge of untreated sewage to Youngs Bay. The total project cost amounts to \$ 8,831,203. The CWSRF loan awarded to the City of Astoria equals \$ 4,000,000.
