In accordance with Section 1511 of the American Recovery and Reinvestment Act of 2009 (PL 111-5), I hereby certify that infrastructure investment in the form of a Clean Water State Revolving Fund (CWSRF) loan provided by the Oregon Department of Environmental Quality to Farmers Irrigation District has received the full review and vetting required by law and I accept responsibility that the infrastructure investment is an appropriate use of taxpayer dollars.

Farmers Irrigation District plans to continue the District's projects to remove irrigation water from open ditches and convey it through pipe. The total project cost amounts to \$ 35,000,000. The CWSRF loan awarded to Farmers Irrigation District equals \$ 4,000,000.
