In accordance with Section 1511 of the American Recovery and Reinvestment Act of 2009 (PL 111-5), I hereby certify that infrastructure investment in the form of a Clean Water State Revolving Fund (CWSRF) loan provided by the Oregon Department of Environmental Quality to the Metropolitan Wastewater Management Commission (MWMC) has received the full review and vetting required by law and I accept responsibility that the infrastructure investment is an appropriate use of taxpayer dollars.

MWMC plans to improve the odorous air control system as identified in the MWMC Wastewater Treatment Facilities Plan. The total project cost amounts to \$ 138,800,000. The CWSRF loan awarded to MWMC equals \$4,000,000.
