In accordance with Section 1511 of the American Recovery and Reinvestment Act of 2009 (PL 111-5), I hereby certify that infrastructure investment in the form of a Clean Water State Revolving Fund (CWSRF) loan provided by the Oregon Department of Environmental Quality to City of Saint Helens has received the full review and vetting required by law and I accept responsibility that the infrastructure investment is an appropriate use of taxpayer dollars.

The City of Saint Helens plans to rehabilitate sanitary sewers and storm sewers to reduce inflow and infiltration. The total project cost amounts to \$ 9,980,000. The CWSRF loan awarded to City of Saint Helens equals \$ 4,000,000.
