

Attachment 3.1 Relationships of Pollutants and their Potential Sources

(See Section 3.3 for descriptions.)

	SOURCES	POLLUTANT GROUPS									
		Pesticides (1)	Consumer-Related (2)	PAHs (3)	Flame Retardants (4)	Surfactants (5)	Industrial Chemicals (6)	Metals (7)	PCBs (8)	PCNs (9)	Dioxins / Furans (10)
A	Local Activities (combustion-related)			<input checked="" type="checkbox"/> Air Deposition, Urban Stormwater				<input checked="" type="checkbox"/> (Arsenic, Cadmium) Air Deposition			<input checked="" type="checkbox"/> Air Deposition
B	Global Activities (current & legacy)			<input checked="" type="checkbox"/> Air Deposition, Urban Stormwater				<input checked="" type="checkbox"/> (MeHg) Air Deposition	<input checked="" type="checkbox"/> Air Deposition	<input checked="" type="checkbox"/> Air Deposition	<input checked="" type="checkbox"/> Air Deposition
C	Regional Activities (current & legacy)			<input checked="" type="checkbox"/> Air Deposition, Urban Stormwater					<input checked="" type="checkbox"/> Air Deposition	<input checked="" type="checkbox"/> Air Deposition	<input checked="" type="checkbox"/> Air Deposition
D	Local Agricultural & Forestry Uses	<input checked="" type="checkbox"/> Land Application, Overland Flow, Soil Disturbance	<input checked="" type="checkbox"/> Land Application					<input checked="" type="checkbox"/> (Legacy) Soil Disturbance			
E	Individual Consumer Uses	<input checked="" type="checkbox"/> Municipal Wastewater Effluent, Overland Flow, Urban Stormwater	<input checked="" type="checkbox"/> Municipal Wastewater Effluent		<input checked="" type="checkbox"/> Municipal Wastewater Effluent	<input checked="" type="checkbox"/> Municipal Wastewater Effluent					
F	Local Industrial & Commercial Uses				<input checked="" type="checkbox"/> Industrial / Commercial Effluent	<input checked="" type="checkbox"/> Industrial / Commercial Effluent	<input checked="" type="checkbox"/> Industrial / Commercial Effluent	<input checked="" type="checkbox"/> Industrial / Commercial Effluent			
G	Local Contaminated Sites (legacy)	<input checked="" type="checkbox"/> Soil Disturbance, Leaching to Groundwater		<input checked="" type="checkbox"/> Soil Disturbance				<input checked="" type="checkbox"/> Soil Disturbance, Leaching to Groundwater	<input checked="" type="checkbox"/> Soil Disturbance	<input checked="" type="checkbox"/> Soil Disturbance	<input checked="" type="checkbox"/> Soil Disturbance, Leaching to Groundwater
