Appendix 2
Sources of Additional Information for Nitrate and Perchlorate
2003 Synoptic Sampling Event Report

- For more information on nitrate levels and sources in the Lower Umatilla Basin Groundwater Management Area visit the web site http://www.deq.state.or.us/wq/groundwa/LUBGWMgmtArea.htm or contact:
  Phil Richerson (ODEQ)
  (541) 278-4604
  Richerson.Phil@deq.state.or.us

- For general information on drinking water in the Lower Umatilla Basin or the health effects of nitrate, visit the web site http://oregon.gov/DHS/ph/dwp/index.shtml or contact:
  Gary Burnett (ODHS)
  (541) 276-8006 x352
  Gary.F.Burnett@state.or.us

- For general information on perchlorate, enter "perchlorate" in the search box at http://www.epa.gov/

- For general information on perchlorate in the North Morrow Perchlorate Study Area, visit the site http://www.deq.state.or.us/er/perchloratesites.htm or contact:

Sheila Monroe (ODEQ)		Christine Kelly (EPA)
(541) 298-7255 x29	or	(541) 962-7218
Monroe.Sheila@deq.state.or.us		Kelly.Christine@epamail.epa.gov

- Who do I contact regarding nitrate and perchlorate treatment technologies?
  Harry Craig (EPA)
  (503) 326-3689
  Craig.Harry@epa.gov

- Who do I contact regarding perchlorate toxicology or effects on human health?

Julius Nwosu (EPA)		David Stone (ODHS)		Gene Taylor (EPA)
(206) 553-7121	or	(971) 673-0444	or	(206) 553-1389
(800) 424-4EPA		Dave.Stone@state.or.us		Taylor.Gene@epamail.epa.gov
Nwosu.Julius@epa.gov				

- Who do I contact regarding perchlorate levels in the tested soil and water?

David Anderson (ODEQ)		Ken Marcy (EPA)
(541) 388-6146 x258	or	(206) 553-2782
Anderson.David@deq.state.or.us		Marcy.Ken@epamail.epa.gov

- Who do I contact regarding milk and crop sampling for perchlorate?
  Kate Toepel (ODHS)
  (503) 731-4504
  kathryn.toepel@state.or.us

ODEQ = Oregon Department of Environmental Quality
ODHS = Oregon Department of Human Services
EPA = United States Environmental Protection Agency
